Description: Intermediate-Advanced class

This class is for students who have past experience improvising in a school group or an AJW group. They need to prove, via a placement audition, they have mastered the basic improvisational skills covered in the AJW Beginning section. Students will play and solo over more advanced 32 bar song forms, chord changes and rhythm styles. They will build their inner creative improvisational vocabulary through the exploration of a wide variety of Jazz, Blues, Latin, & Funk songs, listening and transcribing song solos, reading music, and developing team communication skills in band rehearsals. Weekly assignments will be given to promote learning these skills.

Requirements:

1. Students need to attend all sessions except in cases of sickness or family emergency. There will be no refunds for missed classes. Please notify your instructor at least 24 hours in advance when you will be absent.
2. Students agree to come to class prepared to learn and work to fulfill the class requirements, practice assigned music, and do weekly homework assignments. They need to bring their music, notebook, pencil, and instrument
3. **Books-Real Book 6th Edition in C, Bb, Eb, Bass Clef, and handouts**
