They need to prove, via a placement audition, they have mastered the basic improvisational skills covered in the AJW Beginning section. Students will play and solo over more advanced 32 bar song forms, chord changes and rhythm styles. They will build their inner creative improvisational vocabulary through the exploration of a wide variety of Jazz, Blues, Latin, & Funk songs, listening and transcribing song solos, reading music, and developing team communication skills in band rehearsals. Weekly assignments will be given to promote learning these skills.
